

## We sponsor excellent and powerful students!

The Rochus und Beatrice Mummert Foundation sponsors High Potentials from Central and South Eastern Europe in the fields of economics, business administration, engineering or natural sciences. The Program includes amongst others a scholarship for 2,5 years for a Master degree at the University of Cologne, the German Sport University Cologne or at the RWTH Aachen. The scholarships are offered within the Robert Bosch Stiftung.

### Requirements for a Mummert-Scholarship:

- You come from: Bulgaria, Estonia, Croatia, Latvia, Lithuania, Montenegro, Poland, Romania, Serbia, Slovakia, Slovenia, Czech Republic or Hungary.
- Bachelor degree (or in the final year of Bachelor studies) in economics, business administration, engineering, natural sciences or tourism management
- very good exams (also in mathematics)
- very good German
- Management-Potential
- distinctive personality / enthusiasm
- social responsibility
- willingness to return to home country after graduation

### The promotion consists of:

- **Scholarships**
  - financial funds: 850 – 900 € per month
  - tuition fees 500 € per semester and research grant 228 € per semester
  - travel allowance: 150 – 250 €
  - laptop allowance: 700 €
  - accident and health insurance
  - award for graduation with honors: 500 €
- **Management-Education**

We provide a comprehensive development program of excellent quality:

  - skill seminars
  - 4-6 months internship in a German company
  - educational journeys to Berlin and Brussels
  - factory visits; cultural events
  - projects
- **Comprehensive guidance**

You can count on a reliable and personal guidance through

  - mentor in the Executive Board
  - advisors (leaders from business, culture or university)
  - universities + liaison professor
  - elder scholarship holders + alumni
- **Networking**

**Application period:** annually from September 1 until November 1, with studies beginning in the winter semester of the following year
