

We are pleased to invite you to the

## 12<sup>th</sup> ISE Satellite Student Regional Symposium on Electrochemistry

which will be held in **Zagreb, Croatia** on **June 30, 2023**

The aim of this one-day meeting is to provide an opportunity to **graduate** and **PhD students** to share their work and research in the different fields of electrochemistry and electrochemical engineering.

Symposium topics are analytical and physical electrochemistry, electrochemical material science and electrochemical energy storage.

Participation at the Symposium is **free of charge**.

The meeting venue is the Faculty of Chemical Engineering and Technology.

Conference materials and lunch bags will be provided.

### Abstracts

The abstract must be written in a Word document template and submitted to [akapitano@fkit.hr](mailto:akapitano@fkit.hr) and [saranda.bakija.alempijevic@irb.hr](mailto:saranda.bakija.alempijevic@irb.hr).
