

E - Newsletter

Special issue, March 2022

<http://www.efce.org>

Dear members of EFCE,

Hello and welcome to this special issue of the EFCE news dedicated to the upcoming EFCE Spotlight Talks and EFCE Events.

**EFCE Spotlight Talks**  
from 19 April to 29 April 2022  
by the Working Parties and Sections  
8 Webinars

EFCE  
European Federation of Chemical Engineering

The banner features a dark blue background with a white and light blue wave graphic. The text is in white and light blue. The EFCE logo is at the bottom left.

We would like to cordially welcome you to the **SPOTLIGHT TALKS 2022**, organised by the European Federation of Chemical Engineering and already the third in the series. This year there are eight SPOTLIGHT TALKS hosted by seven EFCE Working Parties, and one EFCE Section, all scheduled at the end of April. The contributing Working Parties and the Section are: **CAPE, Crystallization, Drying, Education, High Pressure Technologies, Mixing, Multiphase Fluid Flow, Membrane Engineering**. The webinars are completely free to attend, and promise a very inspiring and stimulating treatment of Chemical Engineering science issues! Do not miss the SPOTLIGHT TALKS 2022.

## **Programme:**

19 April 2022, 9:30 CEST

### **Focus on current drying research within EFCE**

*Working Party on Drying*

20 April 2022, 9:30 CEST

### **Population balance modeling in gas-liquid flows: a key to more reliable process design**

*Working Party on Multiphase Fluid Flow*

21 April 2022, 9:30 CEST

### **Impact of membrane engineering on the process engineering progresses**

*Section on Membrane Engineering*

26 April 2022, 9:30 CEST

### **Innovative Chemical Engineering Education**

*Working Parties on Education*

26 April 2022, 15:00 CEST

### **Overcoming challenges in mixing processes with evolving rheology**

*Working Party on Mixing*

27 April 2022, 9:30 CEST

### **CAPE ideas for biomass uses**

*Working Party on Computer Aided Process Engineering (CAPE)*

27 April 2022, 15:00 CEST

### **Technology to improve conventional chemical engineering processes**

*Working Party on High Pressure Technology*

29 April 2022, 9:30 CEST

### **Role of crystallization in the production of battery materials and in battery recycling**

*Working Party on Crystallization*

The full programme and registration are available on the event website at [https://efce.info/Spotlight\\_Talks.html](https://efce.info/Spotlight_Talks.html)

## **Register NOW!**

We look forward to seeing you in one of our Spotlight Talks soon.

---

## **EFCE Events 2022**

Join us for the upcoming EFCE events on various topics:

### **Electrostatics 2022**

Wroclaw, Poland, 28 March – 1 April 2022 (EFCE Event No. 774)

**Register now!**

Website: <http://www.electrostatics2021.pwr.edu.pl/wp/>

**10th PhD Student Workshop on Polymer Reaction Engineering**

San Sebastian, Spain, 22-24 April 2022 (*organised by the EFCE WP on Polymer Reaction Engineering*)

Website: [https://efce.info/WPPRE\\_PhD\\_Workshop](https://efce.info/WPPRE_PhD_Workshop)

**PMB2022 - 7th International Conference on Population Balance Modelling**

Lyon, France, 9-11 May 2022 (EFCE Event No. 785)

**Register now!**

Website: <http://pbm2022.univ-lyon1.fr/en/pages/pbm-2022-home>

**15th European PhD Workshop on Food Engineering and Technology**

Uzwil, Switzerland, 10-11 May 2022 (*organised by the EFCE Section on Food*)

Website: <https://european-phd-workshop.com/>

**17th International Symposium on Loss Prevention and Safety Promotion in the Process Industries – Loss Prevention 2022**

Hybrid format: online and in Prague, Czech Republic, 5-8 June 2022 (EFCE Event No. 765)

**Register now**

Website: <http://www.lossprevention2022.org>

**ESCAPE-32 – 32nd European Symposium on Computer Aided Process Engineering**

Toulouse, France, 12-15 June 2022 (EFCE Event No. 778)

**Register now!**

Website: <https://escape32.inp-toulouse.fr/en/index.html>

**17th European Symposium on Comminution & Classification - ESCC2022**

Toulouse, France, 27-29 June 2022 (EFCE Event No. 786)

Registration will open on 30 March 2022.

Website: <https://esc2022.sciencesconf.org/>

**CHISA 2022 – 26th International Congress of Chemical and Process Engineering**

Prague, Czech Republic, 21-25 August 2022 (EFCE Event No. 787)

**60 years of CHISA Congresses**

Posters may be accepted up to the beginning of the Congress but only those received before 31 May 2022 will be included in the final program.

**Register now! Deadline for standard registration: 30 April 2022**

Website: <https://2022.chisa.cz/>

**ACHEMA 2022**

Frankfurt am Main, Germany, **NEW DATE:** 22-26 August 2022 (EFCE Event No. 775)

**Join us!**

Website: <https://www.achema.de/en/>

**Distillation & Absorption 2022**

Toulouse, France, 18-21 September 2022 (EFCE Event No. 780)

Registration will open in March 2022.

Website: <http://da2022.org/en/index.html>

### **9<sup>th</sup> World Congress of Particle Technology**

Madrid, Spain, 18-23 September 2022 (EFCE Event No. 784)

**Register now! Early bid registration deadline: 15 May 2022**

Website: <https://www.wcpt9.org>

### **ENERGY, ENVIRONMENT & DIGITAL TRANSITION – E2DT**

Milano, Italy, 23-26 October 2022 (EFCE Event No. 781)

**Register now! Early bid registration deadline: 15 June 2022**

Website: <https://www.aidic.it/e2dt/>
