EU-Japan Centre for Industrial Cooperation

Vulcanus in Japan programme - Session 2022-2023

We are re-launching the "Vulcanus in Japan" programme through the EU and Cosme Universities.

The trainee programme VULCANUS IN JAPAN offers i**ndustrial placements in companies in Japan** to EU and COSME university students of engineering, high-tech or other scientific fields, enrolled -**when applying**- in between the 4th official year of studies and the penultimate year of PhD. *(Should your university offer only a 3-year course of studies, your students will not be eligible. In this case, please disregard this email).*

The programme lasts one year, from September 2022 to August 2023.
We would be grateful if you could **promote this programme within your university.**
You will find more promotional information for your attention in the documents listed below.
Please forward it to your students.

(You may also wish to print out an A4/A3 poster with QR code to display).

Applications must be submitted online, by **20 January 2022.**
To prepare their application, students must obtain some documents from your university, including a certificate of enrolment (or equivalent document) in English. We would be very grateful if you could support them.
